

farmwalk.

One Platform, Different Value

Same evidence infrastructure. Tailored for every stakeholder.

As an
Advisor

"I manage 40 farms across 6 schemes. I can't keep re-entering the same data into different portals."

THE PAIN

- ✗ Duplicate data entry across schemes
- ✗ Can't scale beyond current clients
- ✗ Audit prep takes days per farm

WITH FARMWALK

- ✓ One capture, all schemes satisfied
- ✓ Multi-farm dashboard
- ✓ White-label reports for clients
- ✓ Audit-ready in minutes

3x

As a
Buyer

"We need to prove our supply chain is sustainable. But we can't audit every farm ourselves."

THE PAIN

- ✗ No visibility into farm practices
- ✗ Self-reported data only
- ✗ Scope 3 claims unverifiable

WITH FARMWALK

- ✓ Verified evidence from every supplier
- ✓ Real-time practice visibility
- ✓ Audit trail for ESG reporting
- ✓ Scope 3 emissions with proof

100%

As a
Lender

"We want to offer green finance products, but we can't verify the 'green' part."

THE PAIN

- ✗ Green claims are self-certified
- ✗ No ongoing monitoring
- ✗ Greenwashing risk

WITH FARMWALK

- ✓ Continuous evidence stream
- ✓ Verified sustainability metrics
- ✓ Risk monitoring dashboards
- ✓ Green bond compliance proof
